 Board nomination and election policy includes how the board shortlists candidates. 	COMPLIANT	The Bank's 2024 Nomination Rules contain the corresponding provisions in short listing the nominees for directorship.	
		The Nominations and Corporate Governance Committees pre-screen the qualifications of the nominees based on the nominations and supporting papers and prepare a final list of candidates, containing all relevant information about the nominees, identifying those nominated as independent directors, if any. If no stockholder nomination specified a nominee for independent director, the Committees shall, by majority vote, endorse nominees for independent directors who meet the regulatory criteria. In 2024, The Bank engaged the Institute of Corporate Directors, as a Search Firm, to aid in looking for qualified candidates for the Board.

6.	Board has a process for identifying the quality of directors that is aligned with the strategic direction of the company.	COMPLIANT	 The position of a Director in China Bank is one of trust, thus, directors are selected for their integrity, credibility, leadership, and ability to render independent judgment, among others. The Bank's Nominations and Corporate Governance Committees are tasked to identify the quality of directors to ensure they are aligned with the Bank's strategic direction. The nomination and election process are set forth in the Nominations Rules that is incorporated in the Bank's Corporate Governance Manual. Recommendation 2.7		· · · · · · · · · · · · · · · · · · ·	
 Board has overall responsibility in ensuring that there is a group-wide policy and system governing related party transactions (RPTs) and other unusual or infrequently occurring transactions. 	COMPLIANT	 The Board has the responsibility of approving the Bank's RPT policy, which covers guidelines and procedures for the review and approval of material RPTs to ensure that these are conducted at arm's length, and consistent with the objectives of BSP Circular 895, Section 136 of the BSP Manual of Regulations for Banks and SEC Memo No. 10 s2019. The policy serves as a guide for all the subsidiaries of the Bank in coming up with their respective RPT policies. There are also provisions in the policy requiring group-wide compliance, such as, reporting of material RPTs by the subsidiaries for consolidation & reporting by the Bank to the BSP, and annual reporting of conglomerate structure/map. In 2020, the RPT Policy was updated to comply with the rules of the BSP and SEC. It is uploaded to the Bank's SharePoint site. Furthermore, to aid in identifying the Bank's related parties, the RP Database is updated regularly.  RPT policy includes appropriate review and approval of material RPTs, which guarantee fairness and transparency of the transactions. 	COMPLIANT	 The Bank's RPT policy requires all material RPTs to be reviewed and vetted upon by the RPT Committee before they are endorsed for the Board's approval. As guiding principle, RPTs shall be at arm's length, in the ordinary course of business & in the interest of the Bank and on substantially similar terms as those offered to other non-related parties. Price Discovery Mechanism is in place and due diligence is performed to determine the fair price, and that Benchmarking Guidelines are observed for both credit and non-credit transactions. 3. RPT policy encompasses all entities within the group, taking into account their size, structure, risk profile and complexity of operations.	COMPLIANT	The Bank's RPT policy serves as guide for all the subsidiaries of the Bank in coming up with their respective RPT policies. As mentioned in the response to Recommendation 2.7 (1), there are requirements in the Bank's RPT policy mandating group-wide compliance, such as reporting of material RPTs by subsidiaries for consolidation & reporting by the Bank to the BSP, and annual reporting of conglomerate structure/map. Link/Reference: RPT Framework and Policy Guidelines <u>https://www.chinabank.ph/pdf/Revised-RPT-Framework- and-Policy-Guidelines October-2019.pdf</u> The detailed RPT Policy is uploaded to the Bank's SharePoint site.	
Supplement to Recommendations 2.7 1. Board clearly defines the threshold for disclosure and approval of RPTs and categorizes such transactions according to those that are considered <i>de minimis</i> or transactions that need not be reported or announced, those that need to be disclosed, and those that need prior shareholder approval. The aggregate amount of RPTs within any twelve (12) month period should be considered for purposes of applying the thresholds for disclosure and approval.	COMPLIANT	The Bank has an extensive RPT policy that is kept updated, relevant and aligned with laws, rules and regulations. Starting 2018, specific materiality thresholds were established on a per transaction/per unit basis, pursuant to BSP requirement. Please refer to Annex 6 for a copy of the latest materiality threshold matrix. Furthermore, to comply with SEC Memo. No 10, the materiality threshold (for individual transactions or aggregate over a 12-month period for the same related party) was set by the Bank at 10% or higher of its total assets, based on the latest Audited Financial Statements.  Board establishes a voting system whereby a majority of non-related party shareholders approve specific types of related party transactions during shareholders' meetings. 	COMPLIANT	The Bank has no formal voting system allowing non-related party shareholders to approve RPTs. However, material RPTs are presented to and ratified by all stockholders present during Annual Stockholders' Meeting. The foregoing process can be considered a similar approval, since both related and non-related shareholders are present during the meeting. Recommendation 2.8 1. Board is primarily responsible for approving the selection of Management led by the Chief Executive Officer (CEO) and the heads of the other control functions (Chief Risk Officer, Chief Compliance Officer and Chief Audit Executive).	COMPLIANT	The Board is primarily responsible for approving the selection of the CEO, including heads of control/oversight functions, namely, CRO, CCO and CAE, based on the application of fit and proper standards. Integrity, technical expertise, and experience in the Bank's business, either current or planned, shall be the key considerations in the selection process. Moreover, since mutual trust and a close working relationship are important, the members of senior management shall uphold the general operating philosophy, vision and core values of the Bank.  Board oversees that an appropriate internal control system is in place. 	COMPLIANT	 The Board is responsible for the establishment and review of the Bank's system of internal control while its day-to-day supervision falls upon the purview of the Management Committee. All of our employees are involved in our internal control processes to a certain extent and in specific capacities. The internal control system comprises a well-defined management structure with clear authorities, responsibilities, and operating procedures. We have adopted the 3-lines-of-defense governance framework - (i) in the frontlines are the business units; (ii) the second line includes an enterprise risk management function under the Risk Management Group and a stringent compliance function under Compliance Group that ensures the Bank complies with applicable laws, rules and regulations covering a range of areas including good corporate governance, anti-money laundering and anti-insider trading policies amongst others; and (iii) the third line is Audit Group which is in charge of the internal audit function.  Board oversees that the company has in place a sound enterprise risk management (ERM) framework to effectively identify, monitor, assess and manage key business risks. 	COMPLIANT	Aligned with the Board's responsibility of setting the tone at the top, the Board oversees that the Bank has in place a sound enterprise risk management framework through Risk Oversight Committee, to ensure its functionality and effectiveness. It oversees the system of limits to	

		 discretionary authority that the Board delegates to Management, ensures that the system remains effective, that the limits are observed and that immediate corrective actions are taken whenever limits are breached.  The risk management framework guides the board in identifying units/business lines and enterprise- level risk exposures, as well as the effectiveness of risk management strategies. 	COMPLIANT	The Bank's Risk Management Group assists the Board in the enterprise-risk management function, which includes risk management strategies. The Bank's resiliency against risk is anchored on prudent risk-taking business model. It safeguards stakeholders' interest and the Group's assets with a balanced approach to risk management, undertaking only well considered risks for commensurate returns. Our Risk Management Group (RMG), headed by Chief Risk Officer Ananias S. Cornelio III, executes the risk management function which is generally responsible for identifying, assessing, monitoring, and mitigating our key	

		 risks. RMG reports to the Board through the Risk Oversight Committee which has approval and oversight responsibility for our risk management framework and risk appetite. Risk identification and assessment are embedded in our control processes, employees at all levels are responsible for the management and reporting of risks, and risk management is reinforced as a discipline group-wide through trainings and communication. 	Internal C	control System and Risk Management Framework	
	parency and prop	per governance in the conduct of its affairs, the company sho	ould have a strong and effective
internal control system and enterprise risk	management fro	imework.	
Recommendation 12.1			
 Company has an adequate and effective internal control system in the conduct of its business. 	COMPLIANT	A Quality Assurance Department within the Audit Group has been set up since 2012. This Department is primarily responsible for designing, implementing and maintaining an effective Quality Assurance & Improvement Program (QAIP) for the entire spectrum of the internal audit activity. The Program has been developed & maintained to assess the efficiency and effectiveness of the Internal Audit (IA) activity and identify opportunities for improvement.	
		In 2024, CBC's Internal Audit Group (IAG) passed the External Quality Assessment Review (EQAR) for the second time, maintaining its "Generally Conforms" rating, the highest possible mark for the activity. The EQAR is conducted at least once every five years by a qualified and independent third-party assessor which reviews the compliance of the Internal Audit activity to the Institute of	

		Internal Auditors' International Standards for the Professional Practice of Internal Auditing. Please refer to Annex 10 for the copy of the certificate issued by KPMG. The review of internal control systems is embedded in the audit program/procedures of a particular unit/process/system and is performed all year round based on the approved Audit Plan. The Annual Audit Plan is prepared using a risk-based approach. The Chief Audit Executive issues an Annual Control Attestation on the results of audit engagements performed. The Attestation provides confirmation that the Bank's control processes, operating across the organization, are in place, adequate and working effectively to mitigate risks that could adversely affect the achievement of Bank's objectives.	
 Company has an adequate and effective enterprise risk management framework in the conduct of its business. 	COMPLIANT	The Board sets the tone for a sound risk culture, Management handles the implementation of the Enterprise Risk Management Framework and day-to-day risk management to ensure alignment with the established risk appetite and limits, and employees at all levels share the responsibility of managing risks. The Risk Oversight Committee oversees the enterprise risk management framework and ensures that there is periodic review of the effectiveness of the risk management systems and recovery plans. It ensures that corrective actions are promptly implemented to address risk management concerns. The framework and supporting policies are regularly reviewed and enhanced, to effectively manage the Bank's financial, non-financial and other emerging risks.

Supplement to Recommendation 12.1 1. Company has a formal comprehensive enterprise-wide compliance program covering compliance with laws and relevant regulations that is annually reviewed. The program includes appropriate training and awareness initiatives to facilitate understanding, acceptance and compliance with the said issuances.	COMPLIANT	The Bank's Compliance Program was developed to put in place a culture of compliance, anticipate, reinforce and strengthen not just the Bank's compliance but as well as the group-wide compliance with existing laws, rules and regulations. It aims to implement a compliance system which will provide reasonable assurance that the Bank and its employees are duly informed and/or trained in order to comply with relevant banking and corporate laws, regulations, rules and standards in order to promote safe and sound banking operations. The Bank's Compliance Risk Management System was designed to specifically identify and mitigate business risks which may erode the franchise value of the Bank, as well as to prevent and combat money-laundering and terrorist financing activities.	
		In compliance with BSP's requirements under Circular No. 747 and Circular No. 972, the Board has approved the Compliance Manual on 04 July 2012 and is updated	

		 regularly to ensure alignment with the active and rapid changes in regulatory landscape. The Bank's Compliance System and Program are subject to regular review by the Bank's Internal Audit and by the BSP. Optional: Recommendation 12.1 1. Company has a governance process on IT issues including disruption, cyber security, and disaster recovery, to ensure that all key risks are identified, managed and reported to the board.	COMPLIANT	Our IT risk infrastructure centers on ensuring the soundness of our IT operations, the strength of our IT Security in the face of increasing cyber threat landscape, and the orderliness of implementation of IT projects in line with Bank's ongoing digital transformation. The Board is responsible for the Bank's technology upgrade strategy, investments and successful execution. The Bank's IT Steering Committee (ITSC) assists the Board in fulfilling its corporate governance and oversight responsibility in relation to investments, strategy and implementation of technology. Our ITSC includes the participation of two independent directors who oversee the Bank's IT function as well as members of management who oversee business execution and business support functions. The ITSC aggregates IT concerns from all over the enterprise to ensure concerted implementation of the Group's IT Strategy.

 Board identifies the company's various stakeholders and promotes cooperation between them and the company in creating wealth, growth and sustainability. 	COMPLIANT	 The Board and Management give due importance to knowing and understanding the pressing issues on sustainability so they can be addressed accordingly; thus, the Bank conducts materiality assessments to identify and prioritize which topics have an impact to, and are impacted by the Bank; spot trends and address emerging issues; and focus efforts on allocating resources better. These material topics, the concerned stakeholders and the Bank's stakeholder engagement process are discussed in the Annual Financial and Sustainability Report. The Bank believes that it is through proper understanding of stakeholders' needs, concerns, and expectations, and more importantly, embedding their feedback into the corporate strategy and daily business that it is able to develop long term-solutions, make responsible business decisions, and perform better. Hi Ms. Keena,

A happy new year to you and everyone in Chinabank! I trust this email finds you well and in high spirits.

In line with your request, I am now sending here the list of our recommendations. My apologies for getting back just now as there were some challenges during the holiday season to getting approval on sharing the profile of our members. In this regard, please see the profiles of the following members we recommend for your request for Independent Director candidates:

Attached are their profiles for your review. These profiles do not fully encapsulate the accomplishments or the breadth of experience of the members but they can be a good starting point to identify some people you would like to know more about. Likewise, we suggest that you have a meeting with our members to gain more insights on their character and see who could best fit your Board's needs and company culture. In case any of our recommendations are shortlisted by your company, we will advise the members of your interest and brief them about your company. Afterward, we can assist you in arranging meetings with them for introductions.

Should you need more choices or perhaps you are looking for a specific character or competence that was not considered, please let us know. We highly appreciate any feedback from you in case you are able to shortlist from our recommendations or if you would have chosen another director for this year.

Thank you very much and have a pleasant day.

Best Regards, AJ

Internal Audit Charter

Internal Audit Charter	Effectivity Date: April 19, 2023	Page No. 1
------------------------	----------------------------------	---------------

INTRODUCTION

The Internal Audit (IA) Charter aims to accomplish the following objectives:

- Define and establish Audit Division's purpose, authority & responsibility, its position in the Bank & reporting structure, independence & objectivity, scope of work, standards of audit practice, and quality assurance and improvement program;
- Serve as a guide to Audit Division in the performing duties mandated duties by the Board of Directors through the Audit Committee;
- Provide a basis for the Audit Committee in evaluating the effectiveness and efficiency of the Bank's Internal Audit function;
- Adhere to the pronouncements of regulators [i.e., Bangko Sentral ng Pilipinas, Securities and Exchange Commission and standard-setting organizations [e.g., Institute of Internal Auditors (IIA), Information Systems Audit and Control Association (ISACA)].

I. PURPOSE, AUTHORITY AND RESPONSIBILITY

A. PURPOSE, MISSION and VISION STATEMENT

The purpose of China Bank's internal audit is to provide independent and objective assurance and consulting services designed to add value and improve the Bank's operations. It aims to help the Bank accomplish its objectives by bringing a systematic and disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes.

The mission is to enhance and protect the Bank's value and its reputation by providing riskbased and objective assurance, advice and insight.

VISION

Audit Division envisions the following:

- A catalyst in promoting the Bank's
 - Mission Statement which states:

"We will be a leading provider of quality services consistently delivered to institutions, entrepreneurs, and individuals here and abroad, to meet their financial needs and exceed their rising expectations.

We will be a primary catalyst in the creation of wealth for our customers, driven by a desire to help them succeed, through a highly motivated team of competent and empowered professionals, guided by in-depth knowledge of their needs and supported by leading-edge technology.

We will maintain the highest ethical standards, sense of responsibility, and fairness with respect to our customers, employees, shareholders, and the communities we serve".

- Advocacy on Integrity, High Performance Standards, Commitment to Quality, Customer/stakeholder Service Focus, Concern for People, Efficiency and Resourcefulness/Initiative in every area of Internal Audit Activity.
- A stakeholder-focused support unit that provides value-added assurance and consulting services to the Bank for the achievement of its goals and objectives.
- A level-five (Advanced) internal audit activity based on Institute of Internal Auditors' Path to Quality Model which is characterized by:
 - Having an active and fully integrated Quality Assurance and Improvement Program (QAIP);
 - Having external quality assessment review performed every three years;
 - Having certification and rigorous continuing education for the members of Audit Division;
 - Being an innovator of best practices which support continuous growth, development and improvement across the organization and the banking industry;
 - Being perceived as strategic partner and advisor by the Bank's Management on control and governance issues and enterprise risk management initiatives. Internal audit's advices and opinions are considered by Management as integral input in crafting policies and procedures.
 - Being a leader in the internal auditing profession and strong supporter of the Institute of Internal Auditors in elevating the practice of internal auditing in the Philippines.
- 4. At par with audit counterparts in the ASEAN region.

B. AUTHORITY

The authority of the Division is established by the Board of Directors, and its responsibilities are defined by the Audit Committee as part of its oversight function. The Audit Committee and management shall take all the necessary measures to provide the appropriate resources (e.g. personnel, information, tools, training, etc.) and assistance that would enable Audit Division to effectively and efficiently perform its mission and objectives. This authority extends also to the audit of Bank's subsidiaries.

To establish, maintain, and assure that Audit Division has sufficient authority to fulfill its duties, the Board thru the Audit Committee shall review and approve the following:

- Internal audit charter
- Risk-based audit plan
- Internal audit budget and resource plan and all major changes therein

------------------------	----------------------------------	---------------	--

- Decisions on the appointment and removal of the Chief Audit Executive (CAE), including evaluation of his/her compensation package; and
- Internal audit activity's standards, manuals and guidance as part of its oversight role;

The CAE, officers and staff of Audit Division are authorized to:

- Have full, free, and unrestricted access to all functions, records/documents, files, accounts, property, and personnel of the Bank during the course of their examination with strict accountability for confidentiality and safeguarding of information obtained.
- Allocate resources, set frequencies, select subjects, determine nature, scope, and timing
 of work, and apply the procedures and techniques required to accomplish audit objectives
 and issue reports.
- Obtain necessary assistance from personnel of other Units of the Bank where audit engagements are being performed, as well as other specialized services from within or outside the Bank, in order to complete the engagement.
- Require all members of staff and Management to provide on a timely manner, needed information and explanation necessary for the performance of its functions, especially those concerning security and compliance issues.

The CAE shall have unrestricted access to, and communicate and interact directly with the Board and the Audit Committee, including having private meetings without management present.

C. RESPONSIBILITY

The CAE's responsibilities and accountabilities shall include -

- Managing the overall IA activity to ensure that sound internal auditing standards and other supplemental standards issued by regulatory authorities/government agencies are complied with, to improve the Bank's risk management, governance and control processes using a systematic and disciplined approach, and to ensure that the IA activity adds value to the organization;
- Directing an independent, objective and comprehensive audit function which provides assurance and consulting services to determine whether:
 - Bank's organizational objectives are achieved;
 - Corporate plans, policies and procedures are carried out effectively and efficiently;
 - Assets are safeguarded properly;
 - Applicable laws, regulations, and contracts are complied with; and
 - Adequate managerial and accounting controls exist and function properly;
- Developing an annual risk-based audit plan with inputs from Senior Management and ensuring that such plan is comprehensive and adequately covers regulatory matters and is presented to the Audit Committee for review and approval;

--	----------	---------------------------	------------------------

- Communicating the impact of scope and resource limitations on the internal audit plan to Senior management and the Audit Committee;
- Reviewing and adjusting the internal audit plan in response to changes in the Bank's business, risks, operations, programs, systems, and controls, as necessary and ensuring that any adjustments or revisions are presented to the Audit Committee for review and approval;
- 6. Ensuring each engagement in the approved annual audit plan is executed, including the establishment of objectives and scope, the assignment of appropriate and adequately supervised resources, the documentation of work programs and testing results, and the communication of engagement results with applicable conclusions and recommendations to appropriate parties. This includes any special tasks or projects requested by Management and the Audit Committee as appropriate;
- Establishing a follow-up process to monitor and ensure that engagement recommendations and management actions have been effectively implemented and ensuring strict implementation of escalation and risk acceptance policy;
- Ensuring that IA collectively possesses and obtains sufficient knowledge, skills, experience & other competencies and obtains professional certifications to meet the requirements of regulations and this Charter. If the internal auditors lack the knowledge, skills, or other competencies needed to perform all or part of the engagement, competent advice and assistance from external service providers shall be obtained;
- Providing an annual assessment and opinion on the overall adequacy and effectiveness of the Bank's processes for controlling its operations and managing its significant risks;
- Ensuring emerging trends and issues that could impact the Bank and successful practices in internal auditing are considered and communicated to senior management and the Audit Committee, as appropriate;
- Establishing and ensuring compliance to policies and procedures designed to guide the internal audit activities;
- Ensuring adherence to the Bank's relevant policies and procedures, unless such policies and procedures conflict with the internal audit charter. Any such conflicts shall be resolved or otherwise communicated to Senior Management and the Audit Committee;
- Ensuring conformance of the internal audit activity with IIA's Code of Ethics and Standards and report any impairment to independence or objectivity;
- Keeping the Senior Management and the Audit Committee informed and educated of the Mission of Internal Audit and the mandatory elements of the International Professional Practices Framework (IPPF). This includes identifying external seminars/trainings or conferences of possible interest to the committee members;
- 15. Considering the scope of work and coordinating with other internal/external service providers and regulators, as appropriate, for the purpose of providing optimal audit coverage to the Bank at a reasonable cost. This includes coordination with other control

and monitoring Units (e.g. Risk Management Group, Compliance Division Legal Group, Human Resources Group, Information Security Office) on activities and issues that are considered important and pose potential risks to the Bank;

- Reporting periodically to the Audit Committee and communicating information on the following –
 - adequacy of internal audit activity's purpose, authority, and responsibility, to enable the activity to accomplish its mandate and objectives;
 - internal audit activity's accomplishments vis- à-vis internal audit plan, results of audit engagements or other activities;
 - adequacy of human resources with sufficient qualifications and skills necessary in the performance of IA's mandate;
 - independence of the internal audit activity;
 - IA's conformance with The IIA's Code of Ethics and Standards, and action plans to address significant conformance issues;
 - significant issues or findings related to Bank's risk management and internal control
 processes, including fraud risks, governance issues, and other matters requiring the
 attention of, or requested by, the Audit Committee and potential improvements of
 these processes, and providing information on the status of their implementation; and
 - status of unresolved exceptions/findings and corrective actions not effectively implemented or acceptance of risk by management;
- Assessing the competency, independence, objectivity and adequacy of work performed by the external service provider for outsourced IA function.
- Periodically assessing and monitoring the skill-set of IA function and ensure adequate development program is in place to enable auditors to meet the requirements of IIA's Competency Framework; and
- Notifying management and the Audit Committee of the results of investigation conducted on fraudulent activities and irregularities.

Responsibilities of IA activity -

- Providing an objective and independent assessment of the adequacy of the risk management, control and governance processes as well as the effectiveness of actions taken to address material risks affecting the Bank and its subsidiaries/affiliates;
- Evaluating operations or programs to ascertain whether results are consistent with established objectives and goals and whether the operations or programs are being carried out as planned;

Page No. 6	Eff. Date: April 19, 2023	Internal Audit Charter	
---------------	---------------------------	------------------------	--

- Evaluating significant new or changes in Bank's operations, functions, processes, services and systems coincident with their development, implementation and expansion to ensure adequacy and effectiveness of security and control.
- 4. Keeping abreast of issues affecting the Bank and its business environment;
- 5. Identifying areas that are not being properly managed; thus, represents threats;
- 6. Ensuring that risks are assessed both at the inherent and the residual levels;
- Timely apprising the board and management of the audit results, including any issues and weaknesses identified, to enable prompt remedial actions, where necessary;
- Assisting the Bank in fraud prevention by examining and evaluating the adequacy and effectiveness of the internal control system commensurate with the extent of a potential exposure within the Bank;
- 9. Performing consulting services, beyond internal audit's assurance services;
- Conducting investigation and evaluation of suspected fraudulent activities and irregularities within the Bank; and
- Exercising due professional care in the conduct of every engagement which implies reasonable care and competence not infallibility.

II. ORGANIZATION AND REPORTING STRUCTURE

All officers and staff of Audit Division shall report to the CAE who in turn reports functionally to the Board of Directors thru the Audit Committee, and administratively (i.e. day to day operations) to the President.

The CAE shall communicate and interact directly with the Board, including in executive sessions and between Board meetings, and as appropriate:

- Have an open and direct access to the Chairman or any member of the board to communicate sensitive matters or issues facing internal audit or the Bank
- Formally conduct a private meeting with the board or audit committee at least annually (without Senior Management) to discuss sensitive matters or issues
- Participate in one-on-one meetings or phone calls periodically with the board or audit committee chair, prior to scheduled meetings or routinely during the year

III. INDEPENDENCE AND OBJECTIVITY

The CAE shall ensure that internal audit is free from all conditions that threaten the ability of internal auditors to carry out their responsibilities in an unbiased manner. Internal auditors shall maintain an unbiased mental attitude that allows them to perform engagements objectively and in such a manner that they believe in their work product, no quality compromises are made, and they do not subordinate their judgment on audit matters to others. The internal audit activity shall remain free from interference by any element in the organization, in matters of audit selection,

Internal Audit Charter	Effectivity Date: April 19, 2023	Page No. 7
------------------------	----------------------------------	---------------

scope, procedures, frequency, timing, or report content to exhibit necessary independent and objective mental attitude.

The CAE shall confirm to the Board, at least annually, the organizational independence and objectivity of the internal audit activity.

If the CAE determines that independence or objectivity is impaired in fact or appearance, the details shall be disclosed to appropriate parties. These includes any interference and related implications in determining the scope of internal auditing, performing work, and/or communicating results.

To further reinforce its independence and objectivity the following shall be observed:

- Internal auditors shall have no direct operational duties and responsibilities for the Bank and its subsidiaries or authority over any of the activities audited. Accordingly, they shall not implement internal controls, develop or implement policies and procedures, install systems, prepare records, or engage in any other activity that may impair auditor's judgment including assessing specific operations for which they had responsibility within the previous year. Their involvement in these activities is limited to consulting only.
- Internal audit is not authorized to
 - Initiate or approve accounting transactions external to the internal auditing functions;
 - Direct the activities of any Bank employee not under the Audit Division, except to the extent such employees have been appropriately assigned to auditing teams or to otherwise assist the internal auditors; and
 - Disclose information obtained during the course of audits to unauthorized parties but rather use such information strictly for audit purposes only.
- Internal auditors shall exhibit the highest level of professional objectivity in gathering, evaluating, and communicating information about the unit/process/system being examined.
- Internal auditors shall make a balanced assessment of all the relevant circumstances and not be unduly influenced by their own interests or by others in forming judgments.
- Internal auditors shall take necessary precautions to avoid being unduly influenced by their own interests or by others in forming judgments.

Where the CAE has or is expecting to have additional roles and responsibilities that fall outside internal auditing, safeguards shall be established to limit impairments to independence and objectivity.

IV. SCOPE OF WORK

Audit Division's scope of work covers the assessment of the adequacy, efficiency and effectiveness of the Bank's system of risk management, control and governance processes, as designed and represented by management, to determine whether it is adequate and functioning in a manner to provide reasonable assurance that:

- Current and potential risks relating to the achievement of the Bank's strategic objectives are appropriately identified and managed.
- 2. Interaction with the various Bank's groups and regulatory authorities occurs as needed.
- Bank's operations or programs are being carried out effectively and efficiently and results of
 operations or programs are consistent with established goals and objectives.
- Information and the means used to identify, measure, analyze, classify, and report such information are accurate, reliable, timely and have integrity.
- The actions of the Bank's employees are in compliance with Bank's code of conduct, policies, standards, procedures, and applicable laws and regulations.
- Significant legislative or regulatory issues impacting the Bank are recognized and addressed properly.
- Bank's resources and physical assets are acquired economically, used efficiently, and adequately
 protected, including safeguarding of the Bank's information assets.
- 8. Quality and continuous improvement are fostered in the organization's control process.
- Established processes and systems enable compliance with the policies, procedures, relevant laws, rules and regulations that could significantly impact the Bank.

All processes, systems, units, and activities, including outsourced services, shall fall within the overall scope of the internal audit function.

Opportunities for improving the efficiency of governance, risk management and control processes may be identified during engagements. These shall be communicated to the appropriate level of management.

Where possible, the CAE shall also coordinate activities and consider relying on the work of other internal and external assurance and consulting service providers in accordance with the Policy on Coordination & Reliance with other Service Providers.

Services Provided by Audit Division

a. Assurance services involve the internal auditor's objective assessment of evidence to provide an independent opinion or conclusions regarding an entity, operation, function, process, system, or other subject matter. The nature and scope of the assurance engagement are determined by the internal auditor. There are generally three parties involved in this service: (1) the person or group directly involved with the entity, operation, function, process, system, or other subject matter - the process owner, (2) the person or group making the assessment - the internal auditor, and (3) the person or group using the assessment - the user.

Examples for this type of service are:

Financial Statement review

- Compliance engagement
- Information systems security review
- Systems or processes audit (e.g. internal control systems or computer systems)
- Fraud/Special Audit
- b. Consulting services are advisory in nature, and are generally performed at the specific request of an engagement client. The nature and scope of the consulting engagement are subject to agreement with the engagement client. Consulting services generally involve two parties: (1) the person or group offering the advice the internal auditor, and (2) the person or group seeking and receiving the advice the engagement client. When performing consulting services the internal auditor shall maintain objectivity and not assume management responsibility as mentioned in the Policy in Handling Consulting Services.

Examples for this type of service are:

- Assessment of controls in a system design (system development audit or redevelopment of existing system)
- Facilitate management activity (e.g. speaker for workshops and seminars)
- Acting as consultant in drafting organizational policies & procedures

If the internal audit activity lacks the knowledge, skills or other competencies needed to perform all or part of the engagement, the CAE is expected to obtain competent advice or assistance to fill any gaps or decide to decline for consulting engagements. Outsourcing of internal audit activities shall be done on a limited basis to access certain areas of expertise that are not available in the internal audit activity or to address resource constraints. This is described in details in the *Policy on Outsourcing*.

V. STANDARDS OF AUDIT PRACTICE

Audit Division shall govern itself by adherence to the Mission and mandatory elements of The Institute of Internal Auditors' (IIA) International Professional Practices Framework, including the Core Principles, the Code of Ethics, the International Standards for the Professional Practice of Internal Auditing, and the Definition of Internal Auditing. This mandatory guidance constitutes the fundamental requirements for the professional practice of internal auditing and the principles against which to evaluate the effectiveness of the internal audit activity's performance.

The IIA's Implementation Guidance and Supplemental Guidance shall also be adhered to, as applicable, to guide operations.

In addition, internal audit activity shall adhere to the Bank's policies and procedures, professional and ethical standards (Code of Conduct), manuals and standards issued by the regulatory/government agencies and Information Systems Audit and Control Association (ISACA).

Page No. 10	Eff. Date: April 19, 2023	Internal Audit Charter
----------------	---------------------------	------------------------

VI. QUALITY ASSURANCE AND IMPROVEMENT PROGRAM

The CAE shall maintain a quality assurance and improvement program that covers all aspects of the internal audit activity. The program shall include an evaluation of the internal audit activity's conformance with the Core Principles, Definition of Internal Auditing, and the *Standards* and an evaluation of whether internal auditors apply the Code of Ethics. The program shall also assess the efficiency and effectiveness of the internal audit activity and identify opportunities for improvement.

The CAE shall communicate to Senior Management and the Board on the internal audit activity's quality assurance and improvement program, including results of ongoing internal assessments and external assessments conducted at least every five years by a qualified, independent external assessor.

VII. REVIEW OF INTERNAL AUDIT CHARTER

Audit-Quality Assurance Department shall review this Charter at least annually to ensure it is updated and complies with the *Standards* and other regulatory guidelines and present updates and changes thereto to the Chief Audit Executive and Audit Committee for review and approval.
