

ANNEX B

Step-by-step Procedure

STEP 1: Select your flight itinerary from Manila/Cebu to Korea, Canada, US, Japan, China and Europe Routes via Korean Air Philippines homepage (website at <https://www.koreanair.com>).

The screenshot displays the Korean Air Philippines website's flight booking page. At the top, the browser address bar shows 'koreanair.com'. The website header includes the 'KOREAN AIR' logo, a 'Log in' button, and a search icon. Below the header, a navigation bar contains 'Book Flights', 'My Trips', 'Check-In', and 'Flight Status'. The main booking area features a 'Book' button and a 'Mileage Booking' button. Underneath, there are tabs for 'Round Trip' (highlighted with a red underline), 'One Way', and 'Multi-segments >'. The origin is set to 'MNL Manila' and the destination is 'To Arriving at'. A circular arrow icon is positioned between the origin and destination. Below this, a calendar icon is followed by the text 'Departure date ~ Return date'. The passenger section shows 'Passenger(s)' with '1 Adult' selected and a person icon. The cabin class section shows 'Cabin Class' with 'Select cabin class' and a seat icon. A large blue 'Search' button is at the bottom.

STEP 2: Enter your complete information details and click on the “Pay Now” button once everything is in order.

Note

- After the purchase, you cannot change the payment method for a flight ticket.
- Payment with Visa, Mastercard, AMEX, JCB card is authenticated by card company's own secure methods. However, if the card issuer does not provide its own secure methods, authentication is performed only with the entered billing address and CVV/CVC number. Accordingly, submitting a card verification in electronic form is additionally required for card holder verification.
- Installment payment service is not available for credit/debit cards issued in countries other than Korea.
- If you pay in a currency other than that of the card issuing country, fees for overseas use will be charged. Also additional currency exchange fee may be charged while changing the currency of the country of departure to the currency of the card issuing country. (e.g. In case of purchasing the ticket departing from China paying with a credit card issued in a country other than China)
